Effortless. Elevated. Enhanced.

# Charge your expectations

Signia believes everyone is entitled to a high standard of hearing care. For the first time, Signia is introducing rechargeability to the essentials category with Orion Charge&Go. And we are making excellence accessible for all with a hearing aid that raises the bar in the essential category for ease of use, design, and technology. Welcome to the Signia standard.

## Effortless to use

- **Rechargeability for all**  
Your clients can say goodbye to the hassle of small batteries and hello to rechargeability.
- **Wireless fitting**  
Cumbersome cables are a thing of the past with wireless technology that streamlines the fitting process.
- **First fit precision**  
Our 48 channel first fit calculation ensures a precise and personalized fit from the start, reducing the need for fine-tuning and optimizing the client experience right from the start.

## Elevated design

- **Contemporary design**  
With an attractive premium finish, Orion Charge&Go's design is as sophisticated as its technology.
- **IP68 rating**  
Certified to resist dust and sweat, Orion Charge&Go provides dependable performance in all conditions.

## Enhanced sound processing

- **Clarity in quiet**  
Our TruEar technology emulates the effect of the natural ear shape by prioritizing speech frequencies from the front for optimal hearing support in quiet environments.
- **Focus in noise**  
Adaptive directionality zeros in on the speech your client wants to hear in noisy environments.
- **Versatility across soundscapes**  
Adaptive compression and an extended input dynamic range work in tandem to adjust amplification to the natural flow of sounds, ensuring impeccable sound quality everywhere.
